Dear Parents and Families,

If you have a child in Grade 3 and Grade 5 your NAPLAN results are now available from the office. Please collect them at your earliest convenience. If you need the results sent to you or to your partner please let the office know and that will be arranged.

### **PUPIL FREE DAY Monday 28th August.**

Teachers will be at school on the Pupil Free Day working on transition of curriculum from AUSVELs to the Victorian Curriculum (which will be fully implemented by 2017), Anaphylaxis updates, mathematics coaching and other curriculum initiatives such as the SWPBP (School Wide Positive Behaviour Program). **NO CHILDREN AT SCHOOL TODAY (28th August).**

### **What Stars our children were at the MUSIC FESTIVAL.**

Despite technical difficulties and a much longer time frame our children performed magnificently and did not allow the difficulties to spoil the day for them. To be able to cope in a useful and positive way when facing challenges is a great life skill and is known to indicate strong mental health. I could not be more proud of the positive way the students of Little River Primary School behaved and performed in spite of the hiccups that presented themselves. *Well done to each and every child performer or stage helper. Congratulations also to all the teachers for their organization and choreography. Many thanks to the parents helpers and the parents for ensuring their child/children had a suitable costume.*

Athletics Day was again another opportunity for our children to display their mettle. But far more important was the manner in which they acquitted themselves on the day by supporting EACH OTHER. *One grandfather commented on such positive and encouraging talk among the children. Well Done again, to our Little River Primary School students!!!*

### **Planning is underway for 2017.**
