Issue 20
3rd October 2016

PRINCIPAL: PAMELA HEANE
SCHOOL COUNCIL PRESIDENT: TANYA FENTON

Dear Parents and Families

Welcome to Term 4.

Over the next 2 weeks I will be taking some Long Service Leave. Mrs Gill Light will be at the helm in my absence. If you have any particular issues or news to discuss please contact Mrs Light or Mrs Judy Hall to assist you.

WORKING BEE

Many thanks to the small but merry band of workers on Sunday morning at the Working Bee who greeted our first day of Daylight Saving by tidying the gardens in preparation for the students first day back to learning and play at LRPS. Daryl and Nathan Hedt; Sue Excell; Graeme, Antonia, Grace, Isabel, and Charlie Baker and Bessie Caldwell-Garcia. The scene was set for the working bee on Sunday by the Haley family who contributed their labor on the Saturday. Sincere and grateful 'thank you' to everyone involved.

NEW VERANDA on the NORTH SIDE OF THE SCHOOL CONGRATULATIONS

How beautiful and perfectly suited to the existing building is our new veranda!!

Congratulations to the team, including School Council, who worked so hard on choices and possibilities to make this improvement in the school's facilities a reality. This veranda will make a real difference to the comfort level of students on the very hot and wet days.

We have been extremely fortunate to have been provided with financial support from local families, (who no longer have children at our school), local businesses and service groups. Thank you to every family and the Little River community, who have generously donated to the Little River Primary School's Building Fund. This building project was just under \$50,000.

Did you know our first big injection of funds came from the final/retiring committee of the Little River Kindergarten (President Jos Payne).

The Country Fair, which is always a huge team effort by all of the Little River Primary School community, has also contributed a significant part in raising the necessary funds. .

We will have an official opening celebration when all the work is fully complete.

Kind Regards, Pamela Heane

SUN SMART

With the start of term 4, students will need to wear a broad brimmed hat and sunscreen while outdoors. School hats can be purchased from the School Office or Double C Jeanery for **\$12.00**.

ICY POLES ARE BACK!

During this term students will be able to purchase an icy pole at the start of lunchtime for .50c. 12.40pm – 12.50pm. A reminder for students that there is no colour selecting and only 1 Icy pole per student. Students will need to line up at the office door to purchase an icy pole.

SELAMAT PAGI

What does it mean to be rich?

That was the theme of the Indonesian Incursion held on Thursday September 1st at Little River Primary School. Daniel Bradbury held this discussion with each of our classes. Daniel has spent 7 years living in Indonesia and has made many Indonesian DVD's. The cultural presentation targeted the fact that 'rich' does not always mean 'money'. Indonesia is a very rich country in regards to family relationships, environment and hospitality.

Indonesia is rich in tradition. Notice the traditional clothes our students were able to wear during the presentation.

The people of Indonesia are rich in skills. They are able to use their bodies and the environment to make many of their belongings.

Sampai jumpa! Pak Ridgeway
