## Cross Country THIS FRIDAY - 15th April 2016

It's that time of year again

Students in Grade Prep to Two will run with their teacher.

Students in Grade Three to Six will compete for the opportunity to go to the District Cross Country and earn points for their house. The day will run from approximately 9:30am until approximately 11.30am.

To be able to make this day successful we will need all hands on deck, so we will need the assistance of willing parents to help out as marshals at key points around the school.

Permission forms are coming home today, please fill in and return by Thursday morning.

If you are able to assist with this day please fill out the form coming today or let the office know school as soon as possible.

Thanks  
Kieran Morley
