

Parent Focus Group

Little River Primary School

2.30–3.30pm, Tuesday 8 September 2015

Education Services Australia is undertaking the development of an exciting new project on behalf of the Australian Government. The project will deliver a free website that will provide information and resources to enable parents to support their children's learning at home. The site will focus on literacy and numeracy and will be aimed at parents with children in the primary years of schooling.

You are invited to participate in a Parent Focus Group to review some proposed content and contribute your ideas about the site.

An overview of the project will be provided followed by an outline of the intended information and resources.

You will then:

- discuss the information with other parents and report back to the facilitators
- take an activity home to work through with your child
- complete a short questionnaire on the usefulness of the resource and return the questionnaire to school.

Can you please complete the permission slip below to allow the collection of feedback at the workshop. Your personal information won't be associated with comments in any subsequent reports.

Afternoon tea will be provided and, to thank you for your time, you will receive a \$30 voucher.

I, _____ will participate in the Parent Website Focus Group at Little River Primary School, 2:30-3:30pm on Tuesday, the 8th of September.

I understand that any information I provide during the workshop and subsequent activity will be treated confidentially and be reported on anonymously.

I can be contacted on _____ .
